Fixed Length Extension Columns

FOR USE WITH PEERLESS-AV® DISPLAY MOUNTS, PROJECTOR MOUNTS AND CEILING PLATE ACCESSORIES

Designed to blend in and work with almost any environment, Peerless-AV's line of EXT fixed columns range in length from 6" up to 2'. The range of columns makes it easy to find the proper column length for your desired application. Whether it's for an office setting, or you need it mounted on a tall cathedral ceiling, the fixed column will support up to 500 pounds. The flexibility and strength of these columns make them ideal for exhibits and retail or digital signage applications. Peerless-AV® also provides a range of adjustable length columns with the AEC product line.

- 1-1/2" - 11.5 NPT threaded on both ends. Notched for use with screw to provide safety and security.
- EXT model extension column lengths measure 1" (25mm) longer than stated drop to provide finished drop length for various mounts
- Lightweight aluminum construction for ease of installation and lower freight cost
- Cable management access provided at one end of column

CABLE MANAGEMENT
Cut-out provides opening for cable entry or exit

Cable Management
